Dear Senior Rx Member:

I am pleased to tell you that the Missouri Rx Plan will replace the Senior Rx Program and how we will make the transition easy for you. Since June we have sent monthly newsletters to let you know how your prescription drug coverage will change. We want you to know the Senior Rx Program is changing to work with Medicare's Prescription Drug Plan (also called Medicare Rx or Medicare Part D).

The new Missouri Rx Plan will work with any Medicare Prescription Drug Plan you choose. The Missouri Rx Plan will pay for 50% (one-half) of your out of pocket costs after using your Medicare Prescription Drug Plan. It will pay for half of your deductible and half of your co-pays under your Medicare Prescription Drug Plan.

We will automatically enroll you in the new Missouri Rx Plan. You don't need to fill out any additional paperwork. And, the best news yet, you pay nothing to join the Missouri Rx Plan. Pharmacies will automatically know to bill the Missouri Rx Plan after billing your Medicare Prescription Drug Plan. However, you may want to take this letter to your pharmacy the first time you use your Medicare Prescription Drug Plan Card. Your pharmacist may want to know these numbers: MoRx PCN: P021011511, MoRx BIN: 004047. Your member ID number for MoRx is your Medicare Claim #.

To be eligible for the new Missouri Rx Plan, all you have to do is to be enrolled in a Medicare Drug Plan. Picking a Medicare Drug Plan that is right for you is an important decision. Carefully review the plans to make sure they cover your drugs and work with your pharmacy. If you need help, you can contact your local Area Agency on Aging. You can also contact CLAIM. CLAIM provides free health insurance counseling to Medicare recipients. The telephone number for CLAIM is **1-800-390-3330**. If you don't have Medicare, please contact your local Social Security office.

We are pleased to welcome you to the Missouri Rx Plan and appreciate the opportunity to continue working with you. If you need further information about the Missouri Rx Plan, please call us at **1-800-375-1406**.

Sincerely,

Jerry Simon
